> **"To ask the Minister for Health the number of community care beds delivered in 2024 and to date in 2025, by site, in tabular form".**

The table overleaf shows the beds delivered under the CNU Programme. This programme launched in 2016 was established to ensure that all CNU's meet the required SI293 HIQA Standard. A number of further short stay and long stay beds are due to open by the end of 2025.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Kind Regards,
