What you will need?

Our painting from part one and two, some paints, paint brushes, water and tissue

Today we are following on from part two of creating our chef, today we will add the finishing touches

1. Starting, by mixing yellow and red making a peach colour

2. Add the peach colour to parts of the chefs face highlighting some areas

3. Mixing white and a small bit of blue to create almost a light grey

4. Add the mixed colour with a flat brush to the chefs hat and shirt also

5. Finishing the chefs eyes going to add some black paint using a small brush to centre of his eye and also to the outline of the eye

6. Lastly, adding some colour to the chefs eyes but adding some peach from before but still leaving some white

Well done guys, you have completed your painting
