

Andy's Art Club – Looking at famous artist's (Part one)

Name:

Date:

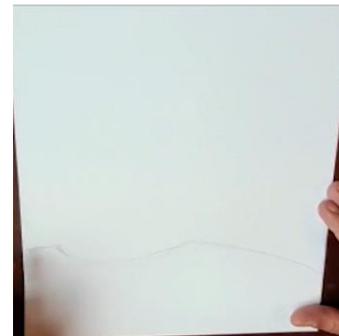

New Directions: Personal Expression and Creativity.

What you will need?

Some paper, a pencil, a rubber, a pencil sharpener

1. Starting with our page vertically and decide where you would like to draw your chef
2. Drawing some slight lines at the bottoms of the page mapping out the chefs shoulders
3. Map out the outline of our characters face, following Andy drawing a line
4. Next, we will create the chefs hat, by drawing almost like a large box shape on top of the chefs head
5. Now we will add some facial features, creating the eyes in an oval shape add little circles as the pupils and almost like a triangle for the nose

6. Once you are happy with your chefs outline, you can begin to shade in the lines darker

7. We must give our chef an apron, by drawing 2 vertical lines to the right and left of the chefs shirt

8. Lastly, our chefs needs some eyebrows. Create them by drawing an oval shape above his eye

Well done guys, you have now completed part one of creating our chef

Don't forget to come back next week to add some colour with painting him
