#### What you will need?

Our painting from part one, paint, paint brushes,  
water and tissues

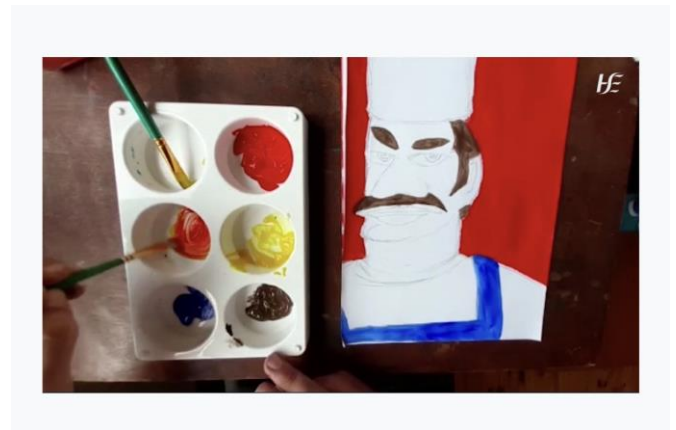

Today we are following on from part one of  
creating our chef, today we will add some paints

1. Firstly, we are going to start by adding paint to our background.
2. Next, taking a clean brush we are going to paint his uniform.
3. Using the colour brown to add some colour to the chefs hair, eyebrows and moustache.
4. Adding some colour to his face. Firstly, we will mix yellow and red to make a orange colour

5. Adding the orange tone to the chefs face avoiding his eyes

6. Lastly, we are going to paint the chefs shirt and hat. Mixing white with a tiny hint of blue together creating a dark white

7. Finally, adding the mixed colours to the hat and shirt

Well done you have finished painting your chef

Next week we will add the finishing touches
