

## Week 4: Andy's Art Club

### New Directions: Personal Expression and Creativity.

Name:

Date:

1. You will need a sponge, paints, a paintbrush, water in a small container and 2 sheets of paper.

2. You will need a piece of sponge for each colour.

3. Put out your paints on a bit of paper.

4. Dip the sponge into the water.  
Then add paint.  
Start at the top of the page and dab the sponge onto the page.  
Blue can be used for the sky.

5. Use another sponge for green paint.  
First dip the sponge into the water then into the green paint.  
Start to dab the sponge at the bottom of your page.

6. Let your painting dry and keep it for the next session.  
You will add more effects next week.
