You will need:

- White paper
- Pencil
- Rubber

1. Start by drawing the branches with 3 small fingers for the monkey's hand
2. Draw the thumb and then finish the hand.
3. Draw 'm' for the top of the monkey's head and then join them at the bottom to make the face.
4. Draw the top of the monkey's head and the eyes and ears

5. Draw the nose with 2 little circles and a little line above. Add the mouth

6. Draw the arms and legs to make the body of the monkey

7. Add another circle for the tummy and a spiral shape for the tail.

8. Add leaves to the branches
