

Make-up application with Ann Young

New Directions: Maximising Independence

Name:

Date:

What you will need:

Foundation

Make-up brush or sponge

Concealer

Blusher

Mascara

Lipstick

1. Start by applying some foundation to our brush and tap the brush around your face

2. Adding some concealer to our under eye area and lightly buff into the skin with a brush

3. Apply some blusher to the high parts of our cheeks lighting brushing in circular motions

4. Using our mascara brush it gently on our top and bottom lashes

5. Lastly apply some lip liner but following the shape of our lips and then adding some lipstick or gloss
