

## Gardening with Noel 1.

### New Directions: Personal & Social Development, Personal Expression and Creativity

Name:

Date:

1. First put rocks into the bottom of the pot for drainage.

2. Fill the pot  $\frac{3}{4}$  to the top full with compost. You can use your hands or a shuffle.

3. Leave enough space at the top to add in your flowers.

4. Make space in the pot for your flowers.

5. Turn the flowers upside down to take them out of their pots.

6. Place the flowers into the gaps.

7. Water the flowers regularly.

**What did you plant?**
