

## Wreath Making with Padraig

### New Directions: Personal Expression and Creativity

Name:

Date:

1. Using tape stick the frogs legs (oasis holder) to the bottom on the pot.

2. Cut the oasis to a smaller size. (you might need support using the knife)

3. Shave off the corners so the top of the oasis is round. (you might need support using the knife)

4. Push the oasis into the pot so it is secure.

5. Start to arrange your flowers and greenery.

6. You can add in any decorations that you like.

**Attach a photograph or drawing of your wreath**

**What decorations did you add?**
