

Guidance Notes

The HSE has a statutory responsibility under the Child Care Act 1991 to promote the protection and welfare of children. The HSE therefore has an obligation to receive information about any child who is not receiving adequate care and/or protection.

This Report Form is for use by:

- Any professional, individual or group involved in services to children, including HSE personnel, who becomes aware of a child protection or welfare concern, or to whom a child protection or child welfare concern is reported.
- Professionals and individuals in the provision of child care services in the community who have service contracts with the HSE.
- Designated persons in a voluntary or community agency.

Please fill in as much information and detail as is known to you. This will assist the Social Work Department in assessing the level of risk to the child or the support services required. If the information requested is not known to you, please indicate this by putting a line through the question. It is likely that a social worker will contact you to discuss your report.

The HSE aims to work in partnership with parents. If you are making this report in confidence, you should note that the HSE cannot guarantee absolute confidentiality for the following reasons:

- A Court could order that information be disclosed.
- Under the Freedom of Information Act 1997, the Freedom of Information Commissioner may order that information be disclosed.

You should also note that in making a 'bona fide report', you are protected under the Protections for Persons Reporting Child Abuse Act 1998.

If you are unsure if you should report your concerns, please telephone the HSE duty social worker and discuss your concerns with them (see Appendix 2 for a full list of HSE offices nationwide).
