

**SWINE  
FLU**

# **IT STOPS FOR YOU**

**ARE YOU PREGNANT? HAVE YOU  
GIVEN BIRTH IN THE LAST 6 WEEKS?**

Pregnant women are more at risk from  
Swine Flu than other people.

Getting the Swine Flu vaccine will protect  
you and your baby from Swine Flu.

Talk to your GP or Maternity Hospital  
about getting a Swine Flu Vaccine now.  
It's free of charge.
