

LHO COMPARATIVE BARCHARTS FOR SELECTED HEALTHSTAT METRICS – October 2011

National HSE target: 100% waiting under 4mths
 Frequency: Monthly
 Source: BIU Non Acute

Due to a serious ICT Issue with the children in care register for Cork/Kerry LHO's numbers of children in care and those with a written care plan and social worker will not be available from the Cork/Kerry LHO's for September.
