GUIDE TO LOCAL AUTHORITY SUPERANNUATION (Eleventh Revision)

A Chara,

The Guide to Local Authority Superannuation issued to local authorities with Circular Letter S.6/88 of 19 February, 1988. The Guide has been revised yearly as set out in subsequent circular letters.

The eleventh revision of the Guide incorporates changes in, and clarifications of, the Local Government Superannuation Code in the period from 1 January, 1999 to 31 - December, 2000. Monetary amounts in all future versions of the Guide will be expressed in Euro amounts only.

Your attention is drawn to the fact that there are some local authorities who have not forwarded their email addresses. It should be noted that the Revised Guide will be automatically circulated by email to the addresses on the appended list. Local authorities whose email addresses are not included on this list should forward same to Bernie Reape Tel. No. (096) 24405 in order to ensure receipt of this version of the Guide.
