**HEALTH SECTOR**

**CONSOLIDATED SALARY SCALES IN ACCORDANCE WITH  
Financial Emergency Measures in the Public Interest Act 2013 (No. 18 of 2013)**

**These scales must be read in conjunction with Department of Health Circular 5/2013**

The Financial Emergency Measures in the Public Interest (FEMPI) Act 2013 provides for the reduction in remuneration for certain public servants currently on salaries of €65,000 and greater (**inclusive of allowances in the nature of pay**) and to persons whose salaries (inclusive of allowances in the nature of pay) rise above €65,000 on or after 1 July 2013.

The following adjustments have been made to salaries over €65,000<sup>1</sup>:

<b>Annualised amount of</b>	<b>Reduction*</b>
Any amount up to €80,000	5.5%
Any amount over €80,000 but not over €150,000	8%
Any amount over €150,000 but not over €185,000	9%
Any amount over €185,000	10%

Remuneration will not fall below €65,000 as a result of the application of the reductions set out above; pro rata reductions apply to staff who work on a part-time or work-sharing basis.

**\*These scales do not apply where a fixed allowance is payable and, when combined with the person's salary, brings his/her annual remuneration above €65,000. In such circumstances, for the purpose of calculating remuneration for the application of the pay reduction, fixed periodic pensionable allowances should be added to basic pay and the appropriate reduction, as set out in the table above, applied to those in receipt of annualised remuneration of €65,000 or more. A fixed periodic allowance is an allowance which is of a fixed amount, is taxable and pensionable, is not paid in respect of an expense incurred, and is not reliant on the type of work or amount of actual work performed at, for example, weekends or nights.**

It should be noted that employers may not, under any circumstances, supplement the remuneration of an employee, and an employee is not entitled to receive remuneration of an amount greater than the amount determined.

Please also note that the salary scales for health sector employees in grades equivalent to Deputy Secretary and Assistant Secretary, whose salaries were exempted from the full application of the Financial Emergency Measures in the Public Interest (No. 2) Act 2009, are updated to include the following rates; the 1 January 2010 modified rate, the 1 July 2013 modified rate as well as the rates (based on the full reduction) applicable for pension contribution and pension benefit purposes of 1 March 2012 and 1 July 2013. For payroll purposes please note that pension contributions must be calculated using the appropriate 'full reduction' rate.

<sup>1</sup> The 1.10.12 Consultant Salary Scales should be maintained pending further notification.

*The sanction of the Minister is now conveyed for the application of these amended pay scales with effect from 1 July 2013*

## **NOTES**

### **Please note the following :**

- 1 For the 1st worksheet, the pay-scales for grades read across.  
The current rate and at least one historical rate are shown for the 1st worksheet.
- 2 The grades within each section are displayed in the same order as in previous Pay Scales.  
The "1 July 2013" worksheet shows the pay rates for all grades except consultants.  
The "Consultants" worksheet shows all consultants rates.  
The "Allowances1" worksheet shows all allowances for public servants in receipt of basic pay up to and including €125,000  
The "Allowances2" worksheet shows all allowances for those in receipt of basic pay in excess of €125,000  
The "N.E. Allowances 1" worksheet shows allowances for New Entrant grades in receipt of basic pay up to and including €125,000

Point 1 = On recruitment  
Point 2 = After .5 years  
Point 3 = after 1.5 years etc.  
care must now be taken to abide by the conditions of the Haddington Road Agreement
- 5 Where a qualification bar exists for a grade, the grade is represented twice, once for those without the qualification, once for those with it ( e.g. Social Care Worker).
- 6 As in previous scales the weekly rate can be calculated by dividing the annual rate by 52.18.

**1 July 2013 - Pay of those in receipt Clinical Directors Allowance**

For those in receipt of a Clinical Directors Allowance, the amount of the allowance should be added to the person's 30 June 2013 scale and overall remuneration adjusted in accordance with Section 2A of the Financial Emergency Measures in the Public Interest (No. 2) Act 2009.

**Calculating the Allowance paid to the Master of a Maternity Hospital**

The allowance attached to the role of Master is calculated as the difference between the rate applying to the standard clinical post and a professorial post as determined by Contract Type. For example, should you opt for Consultant Contract 2008 on a Type B basis, you will receive an allowance equal to the difference between the salary rate for the Type B standard clinical post and the Type B Professor post. (e.g. A Type B Consultant (Eastern Region) €163,660 moves to a Type B Professor (Eastern Region) €18,716. The Masters Allowance in this case is €5,056 and the annual salary is €18,716.)
