Circular No – 008/16

Dear Contractor,

I am pleased to notify you of a new development within the **PCRS Online Services** (www.pcrs.ie) under the heading **‘Services for Clinical Dental Technicians only’**. Under this heading we have introduced a new facility labelled **‘Dental Eligibility Confirmation’** which is specifically tailored to assist in verifying a client’s eligibility for B5 treatment. To use the tool,

- Select the treatment type B5
- Select the denture type
- Enter patient’s PPS number
- Click the “Check” option.

Similar information can be submitted by SMS, as follows: Text CDT, the treatment type, denture type code and PPS number to 087 909 7867, e.g. “CDT B5 PU 1234567P or CDT B5 FUD 1234567P”.

(Please note that there is a space between all fields). Denture type codes are as follows;

FULR = Full Upper and Lower Reline

FUD = Full Upper Denture

FLD = Full Lower Denture

FUR = Full Upper Reline

FLR = Full Lower Reline

PU = Partial Upper Denture

PL = Partial Lower Denture.

I trust you will find this new service beneficial and I welcome your continuing cooperation with further developments over the coming months.

Yours sincerely,

Anne Marie Hoey
