Individual	29/04/2022	I request a copy of the legal review as stated above, Legal Review by HSE on Section 12(7) Employment Equality Act 1988. The request is based on information received from the National Doctors Training Programme (NDTP). This review resulted in a major change in the appointment of EU Doctors to approved Training Programmes across some 23 Training Bodies for some 50 specialities in 2013. I understand the opinion was commissioned in 2012. In practice, it excludes non-EU Doctors. The competitive appointment process does rank non-EU Doctors appointable within the number of posts available. Under the Legal Review, the Training Bodies must offer priority to EU Doctors. The non-EU Doctors are automatically dropped below all EU Doctors. This process is enforced on foot of instruction from the NDTP, based on the opinion as commissioned by the HSE.	Refused	30/05/2022
