**Re: PQ 18267 18:** *To ask the Minister for Health the revenue raised in each of the years 2013 to 2017 from charges for private patients in public beds by public or voluntary hospital in tabular form -Darragh O'Brien*

Dear Deputy O'Brien,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Your PQ above has been referred to me for response.

Please find attached in Appendix 1 all Private Patient Income Charges (inpatient & daycase) by statutory and voluntary hospital for the years 2013 to 2017. Please be aware that the 2017 figures are not yet finalised and are also subject to audit.

Under the changes implemented by the Health (Amendment) Act 2013, which came into operation on 1 January 2014, all patients treated privately in a public hospital are subject to private patient charges.

Outlined in the Health (Amendment) Act 2013, private patient charges are raised as per the following table:

Table 1	Single Occupancy	Multi Occupancy	Daycase
Fifth Schedule Hospital	€1,000	€813	€407
Sixth Schedule Hospital	€800	€659	€329
