10th May, 2018

PQ No: 18155/18

To ask the Minister for Health his plans to ensure the same number of persons with type 1 diabetes will be seen as per current standards, guidelines and wait times for individual reimbursement support in relation to the FreeStyle Libre blood glucose management system in view of the workload that will be incurred by the endocrinologist consultants; and if he will make a statement on the matter.
-Mary Butler

Dear Deputy Butler,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 18155/18), which you submitted to the Minister for Health for response.

The time required to enter a request for reimbursement support is a matter of minutes. The vast majority of applications are made by Diabetic Nurse Specialists working as part of endocrinology teams

Yours sincerely,

Kieran Healy
Head of Customer Services
