Dear Deputy Butler,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The National Treatment Purchase Fund (NTPF) has statutory responsibility for the collection and publication of waiting lists.

Information relating to waiting lists is published on a monthly basis at www.ntpf.ie.

This information is set out at Hospital and speciality level.

Yours sincerely,

Trina Doran
General Manager
