Dear Deputy Buckley,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Following the completion of the Advanced Works, the NFMHS contractor was appointed for the main works construction project and works commenced on the new build in Q2 2017. It is anticipated that construction will be complete in Q4 2019. The equipping and commissioning of the new hospital will follow the construction and it is anticipated to be complete in Q2 2020.

Yours sincerely,

Jim Curran
