**PQ 18245/ 18** - To ask the Minister for Health the reason the minor injury clinic was dropped from the list of facilities available at the new health centre in Kilmore West; and if he will make a statement on the matter. -Róisín Shortall

Dear Deputy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

A minor injury clinic was never on the HSE schedule of service for the new Primary Care Centre in Coolock. I can confirm the following services will be provided from this facility:

- General Practitioner Services
- Public Health Nursing Services
- Physiotherapy Services
- Occupational Therapy Services
- Speech and Language Therapy Services
- Psychology Services
- Dental Services
- Disability Services
- Mental Health Services

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely

**Michelle Forde**  
General Manager
