PQ 14065/18 * To ask the Minister for Health the progress which has been made towards the construction of the South Donegal Community Hospital project, Ballyshannon; when a contractor will be appointed; and when work will commence on this project -Martin Kenny

Dear Deputy Kenny,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The 80 Bed Community Nursing Home (CNU) in Ballyshannon to replace existing beds at the Sheil & the Rock is at detailed design stage. Planning permission was granted in August 2017 and it is anticipated that the project will commence construction in Q4, 2018 following a successful tender and contracting procedure.

Yours sincerely,

Jim Curran
Head of Estates
