**PQ 13677/18 \* To ask the Minister for Health the status of the primary care centre for Finglas; and if he will make a statement on the matter. -Noel Rock**

Dear Deputy Rock,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The provision of a Primary Care Centre (PCC) in Finglas remains a high priority for the HSE. A final location for this centre has not yet been confirmed, however the HSE are in advanced discussions in relation to a suitable site in Finglas. Once final agreement has been reached in relation to the purchase of a suitable site, the HSE will confirm the location and the proposed timeframe to deliver this much needed facility.

Yours sincerely,

---
