*To ask the Minister for Health his long term plans for the Rosalie Centre, Castlerea, County Roscommon; if the Centre will remain open and be restored to its full capacity of 33 Residents; and if he will make a statement of the matter.

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Currently there are no long term plans for the Rosalie Centre.

The Rosalie Centre has not had any new admissions since September 2016. It is not proposed to reopen the Unit to new admissions. An individualised clinical assessment for each of the 12 Residents is being conducted in consultation with their family members. Based on these assessments the appropriate future care needs of the Residents will be determined.

I trust this information is of assistance to you, but should you have any further queries, please contact me.

Yours sincerely,

Charlie Meehan
