RE PQ 20514/18: To ask the Minister for Health the number of public nursing home beds available in County Louth excluding step down and transitional beds

Dear Deputy Munster,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outline the position as follows.

There are 132 Public Nursing Home Beds available in County Louth excluding step down and transitional beds.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Pat Bennett
