PQ 22505/18-18 * To ask the Minister for Health the capital allocation to commence the build of Castlebellingham health centre; the tender process; the contract award process; the likely opening date of the centre; and if he will make a statement on the matter. -Imelda Munster

Dear Deputy Munster,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question's which you submitted to the Minister for Health for response.

A tender process was completed for the development of the Castlebellingham health centre. Tenders obtained for the project were in excess of the available minor capital funding and therefore the project did not proceed at that time.

An application is currently being prepared for the National Capital & Property Steering Group (NC&PSC) to have this project included on the Major Capital Plan. The NC&PSC will evaluate this capital submission in accordance with the Department of Public Expenditure & Reform's Public Spending Code.

Yours sincerely,

Jim Curran
