Re: PQ20633/18

* To ask the Minister for Health the provisions in place to ensure that a general practitioner service remains in Carnew, County Wicklow; and if he will make a statement on the matter.

Dear Deputy Brady,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health and Children for a response. I have examined the matter and the following outlines the position.

The current contracted General Medical Services GP in Carnew Primary Care Centre has advised of his resignation from the General Medical Services Scheme with effect from 10th August 2018.

The Health Service Executive has begun the recruitment process to recruit a GP to fill the post. The post has been advertised on the Health Service Executive's website. It will also be advertised in the Sunday Independent on 13th May 2018, the Irish Independent on Thursday 17th May 2018 and the Medical Independent 25th May 2018. The closing date for applications for the post is Friday 2nd June 2018.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

James Glover
General Manager, Primary Care
