Dear Deputy Donnelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The National Ambulance Service reports on 18 minute 59 second response times for ‘ECHO’ and ‘DELTA’ category calls. The table below outlines these response times for NAS (by former Health Board area) and Dublin Fire Brigade for January and February 2019.

I trust this information is of assistance to and should you require additional information please do not hesitate to contact me.

Yours sincerely,

Oliver Reilly
