Action Health Enterprises Ltd.

Dear Deputy Brady,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The HSE is committed to delivering Primary Care Centres (PCCs) in Greystones and Arklow. The HSE has met with the developer Action Health Enterprises who are seeking to sell their portfolio. The HSE are actively working with Action Health Enterprises to progress a number of actions agreed in order to minimise any potential delays to the delivery of these PCCs.

Yours sincerely,

Jim Curran
