Re: PQ 17098/19: “To ask the Minister for Health if he will supply Ballinrobe, County Mayo with an ambulance base; the reason the town does not already have a base; and if he will make a statement on the matter.”

PQ 17058/19: “To ask the Minister for Health the status of Mulranny ambulance base, County Mayo; the staff stationed there; and the number of days per week and hours per day the base is manned.”

Dear Deputy Chambers,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response.

The National Ambulance Service can confirm that discussions are taking place between NAS Management and Staff in relation to the establishment of a deployment point in Ballinrobe which will utilise existing NAS resources to provide additional cover in the area.

The NAS can also confirm that one emergency ambulance operates from Mulranny Ambulance Station each day except Thursday and every night Monday to Sunday.

I trust this information is of assistance to you and should you require further information please contact me

Yours sincerely,

Oliver Reilly
Asst Chief Ambulance Officer
