3<sup>rd</sup> May 2019

**PQ 18163/19 \* To ask the Minister for Health the funding allocated in 2019 for the development of the new radiation oncology unit in University Hospital Galway; the timeframe for the completion of the project; and if he will make a statement on the matter. - Stephen Donnelly**

Dear Deputy Donnelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The funding allocated to this project in 2019 is €4m. This will fund the enabling works that are currently underway.

Shortlisting for contractors for construction of the main building is under way and this process is expected to be concluded by the end of Q2 2019. It is anticipated that tender documents will issue in Q3 2019. It is expected that the construction works of the main build will commence in Q1 2020 and take approx. 20 months to complete.

Yours sincerely,

**Jim Curran**  
**Head of Estates**
