24 April 2019

Deputy John Brassil Dáil Éireann Leinster House Dublin 2

PQ 18234/19: To ask the Minister for Health the State agencies and bodies under the remit of his Department; the location of each such body by county; and the number of full and part-time persons employed in each such body.

Dear Deputy Brassil,

I refer to your recent parliamentary question in relation to numbers of personnel employed in the public health service which was forwarded to the HSE by the Department of Health for direct reply.

Firstly, I should point out that staffing figures provided generally relate to direct employment levels as returned through the Health Service Personnel Census (HSPC), which is the official employment count for the public health sector (HSE and Section 38 Voluntary Hospitals & Agencies). Numbers equating to service levels are expressed as whole-time equivalents (WTE) taking account of part-time working whereas headcount (HC) refers to individuals.

In relation to the Deputy's central question, at 31 March 2019, there were 137,748 personnel (equating to 118,984 WTE) directly employed in the provision of Health and Social Care Services by the HSE and the various Section 38 organisations and of which almost two-thirds (90,634 or 66%) were full-time and the remainder 47,114 (34%) were part-time. Summary details are as follows:

by Type of Administration: Mar 2019	WTE	Headcount [HC]	HC Full Time	HC Part Time
Total Health Service	118,984	137,748	90,634	47,114
Health Service Executive	77,178	89,139	58,707	30,432
Section 38 Hospitals	25,495	28,809	21,182	7,627
Section 38 Voluntary Agencies	16,311	19,800	10,745	9,055

As health care services are not organised on a county basis but on the basis of Hospital Groups and Community Healthcare Organisations, delivering their services on the basis of their respective catchment areas, this response is formatted on the basis of this configuration. Details as requested by this organisational structure are set out in the attached table.

Workforce levels are updated monthly and are available at: https://hse.ie/eng/staff/resources/our-workforce/

I trust that this information is sufficient to meet the Deputy's needs.

Yours sincerely,

Des Williams

General Manager

Jul leyel

Health Services Staffing WTE & Headcount (Full-Time & Part-Time): Acute Hospital (HSE & Section 38), Hospital Group & Community Service by CHO (HSE & Section 38), Corporate & National Services at Mar 2019
