PQ 18279/19 * To ask the Minister for Health the capital allocation to Cork University Maternity Hospital for 2019; and if he will make a statement on the matter. - Micheál Martin

Dear Deputy Martin,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions which you submitted to the Minister for Health for response.

Major capital allocations are made on a project basis and are not allocated to a particular hospital. Minor capital is allocated on a regional basis to address infrastructural works requirements. Minor capital is not allocated by facility and is allocated based on service priorities in the region.

Yours sincerely,

Jim Curran
Head of Estates
