***PQ 50185/19 \* To ask the Minister for Health if funding will be provided for renovation work to commence at dental clinic in Celbridge, County Kildare (details supplied) in view of the fact that this clinic was not allocated capital funding for 2020 and will remain closed; if an interim solution will be provided in view of the fact that persons in the area are without dental health services; and if he will make a statement on the matter. - Catherine Murphy***

Dear Deputy Murphy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Funding for the progression of refurbishment works to the existing dental clinic in Celbridge Health Centre has been provided in the draft Capital Plan for 2020 which is currently being finalised and will be submitted to the Minister for Health for consideration and approval. Services have been operating from a facility in Naas in the meantime.

Yours sincerely,

**Jim Curran**
