**PQ /19/50820**

*"To ask the Minister for Health the number of doctors, nurses and consultants on duty in emergency departments on 25 November 2019"*

Dear Deputy Quinlivan

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I regret to advise that the information you have requested is not collated from hospitals. Current HR systems do not facilitate central reporting that would provide this level of information. Therefore, any potential census would require an allocation of administrative capacity to undertake a census of locally held information and at this time, such administrative capacity is not available

I regret to advise that the information you have requested is not available.

Yours sincerely,

---
