Dear Deputy Murphy O Mahony

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The total number of children waiting for assessment by one of the 6 Early Intervention Teams in CHO3 is 302. In Limerick there are four Early Intervention Teams with a total of 169 children on the waiting lists; West Limerick Children's Services (19), Treehouse (38), Blackberry (32), East Limerick Children's Services (80). In Clare there is one Early Intervention Team with 22 children on the waiting list. In North Tipperary Early Intervention Team there are 111 children on the waiting list. Please see below breakdown per LHO area:
