PQ 51004/19
To ask the Minister for Health the number of children waiting for assessment by early intervention teams in each LHO area in CHO 7 at the end of November 2019 or the latest date available; and the number waiting 0 to 3, 3 to 6, 6 to 9, 9 to 12, 12 to 18, 18 to 24 and more than 24 months, respectively
- Margaret Murphy O'Mahony

Dear Deputy

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I can advise as follows in respect of CHO7:-

	Dublin South City	*Dublin South West	Dublin West	South Kildare West Wicklow	Mid Kildare	North Kildare
0-3 months	6	**12** +(23)	41	8	5	12
3-6	10	**17**+(42)	38	11	13	18
6-9	12	**8**+(36)	33	14	7	18
9-12	15	**19**+(60)	24	8	5	0
12-18	40	**28**+(54)	70	0	1	0
18-24	18	**18**+(34)	50	0	0	0
>24	1	**11**+(3)	78	0	0	0

Dublin South West: The number is bold is the number waiting for specific assessment from individual disciplines following intake to the Teams. These children will have already waited up to 22 months for intake to the Team so that the real waiting time is e.g. 0-3 months plus 22 months on Team waiting list. The number in brackets ( ) is the number of children waiting for intake so the number of assessments required are as yet unknown for this group.

I trust this information is of assistance to you but if you have any queries or should require any further information please do not hesitate to contact me.

Yours sincerely
