PQ51630/19 : To ask the Minister for Health the status of an appointment for a second consultant for a service

Dear Deputy McConalogue,

The Health Service Executive has been requested to reply directly to you in the context of the above Public Representation. I have examined the matter and the following outlines the position.

Response:

The hospital is awaiting approval to re advertise the permanent Consultant post. However, in the meantime, we continue to employ a temporary Consultant Dermatologist in the service on a part-time basis.

I trust that this addresses your query but feel free to contact my office if you require any further information.

Yours sincerely,

**Grainne McCann
General Manager**
