

27<sup>th</sup> December 2019

Deputy Stephen Donnelly,  
 Dáil Eireann,  
 Leinster House,  
 Kildare Street,  
 Dublin 2.

**PQ 52225/19 - To ask the Minister for Health the number of community intervention teams in each community healthcare organisation; the number of whole-time equivalent staff on 30 November in each of the years 2017 to 2019 or the latest date available in each year**

**-Stephen Donnelly**

Dear Deputy Donnelly,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Please see attached Table 1 which lists the WTE Staffing in each community healthcare organisation at the time requested.

**Table 1:**

WTE Staffing as of:	30/06/2017	30/06/2018	30/06/2019	30/11/2019
