**PQ 53027/19**

**To ask the Minister for Health the status of a project (Arden House, CAMHS Facility, Wexford); the timeframe for commencement of a service and if he will make a statement on the matter.**

Dear Minister Kehoe,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which was submitted to the Minister for Health for response.

*I have reviewed that matter and the following is the position:*

I have received confirmation from HSE Estates that the works at Arden House have been undertaken and completed. The overall works will be required to be signed off pursuant to Health and Safety requirements following which the premises will be available for use by the CAMHS South Wexford Team.

I trust that this is of assistance.

Yours sincerely,

A handwritten signature in black ink that reads "David Heffernan".
