Re: PQ 5128/19; “To ask the Minister for Health if his attention has been drawn to the recent suspension of ambulance staff in County Cork due to issues relating to work rotas; the efforts he has made to resolve same and ensure that ambulance services in the county are safely staffed; and if he will make a statement on the matter.”

Dear Deputy Buckley,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The NAS is currently reviewing an issue that occurred locally in Cork and as such we are not in a position to comment any further at this time. NAS management ensure all calls in the Cork area and country wide are responded to in a safe, efficient and timely manner.

I trust this information is of assistance to you and should you require further information please contact me

Yours sincerely,

Oliver Reilly
Asst Chief Ambulance Officer
