PQ Number 5501 / 19 Dept. To ask the Minister for Health if his attention has been drawn to an on-going dispute between maintenance staff and management at Mayo University Hospital; if so, his plans in place to resolve the dispute; and if he will make a statement on the Matter – Lisa Chambers

Dear Lisa,

The issue in Mayo University Hospital with the Maintenance staff and Management is an unofficial dispute. There has been a formal issue raised and this has been referred to the Labour Court and a date has been agreed in March 2019 for a hearing on this.

Management in Mayo University Hospital continue to try and clarify and resolve the issues that a number of the Maintenance staff have and are working with their Unions to achieve this.

Kind Regards

Catherine Donohoe
Hospital General Manager, MUH
