Dear Deputy Doherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The total number of staff employed by the National Ambulance Service is 1,887.

Deductions from HSE payroll systems are undertaken on a confidential basis and as such this information cannot be provided.

I trust this information is of assistance to you and should you require additional information please do not hesitate to contact me.

Yours sincerely,

Oliver Reilly
Asst Chief Ambulance Officer
