PQ 7228/19 * To ask the Minister for Health if the €50 million that has to be provided from the 2019 Budget of his Department in relation to the cost of the national children's hospital will not delay a project (details supplied); and if he will make a statement on the matter. - Jan O'Sullivan
the 75 bed long-stay unit in St. Camillus Hospital Limerick

Dear Deputy O'Sullivan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

The capital funding allocation required to progress the 75 bed long-stay Community Nursing Unit (CNU) in St. Camillus Hospital Limerick through detailed design and on to tender this year has been committed under the HSE's Capital Plan for 2019. There is no anticipated delay to the project or impact from the National Children's Hospital funding requirements.

Yours sincerely,

Jim Curran
Head of Estates
