Re: PQ 8144/19: To ask the Minister for Health when the national out of hospital cardiac arrest steering group report will be finalised and published; and if he will make a statement on the matter.

Dear Deputy Moynihan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Questions, which you submitted to the Minister for Health for response.

The National Out-of-Hospital Cardiac Arrest Strategy Steering Group members have submitted their report to the HSE Commissioners, who have accepted the recommendations of the Steering Group.

The HSE is currently considering the governance and operational structure required for strategy implementation. A publication date will be announced when this structure is agreed and established.

I trust this information is of assistance to you and should you require additional information please do not hesitate to contact me.

Yours sincerely,

Oliver Reilly
Asst Chief Ambulance Officer
