PQ 8605/19 * To ask the Minister for Health when the next tranche of publicly advertised primary care centres for third party operation lease will be announced; when a centre will open at a location (details supplied); and if he will make a statement on the matter. - Bernard J. Durkan

East Wall, Dublin 3.

Dear Deputy Durkan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

HSE Estates expect that the next advertisement under the HSE's Primary Care Operational Lease Mechanism seeking submissions of interest from parties who are developing or planning to develop Primary Care health facilities will be published by March of this year. East Wall has been proposed for inclusion in this advertisement.

It is not possible at this stage to give an estimated time when the centre will open.

Yours sincerely,

Jim Curran
Head of Estates
