To ask the Minister for Health the status of the development of a primary care centre in Ballaghaderreen, Co. Roscommon; and if he will make a statement on the matter.

Dear Deputy Burke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

The overall Primary Care Centre development for Ballaghaderreen, Co. Roscommon will be 1,222 m² in size. At present a schedule of accommodation is agreed and preparatory work is in progress for agreement for lease between the HSE and the developer. Planning permission will be applied for once the floor plan is agreed; this is anticipated by end June 2019.

I trust this information will be of assistance to you.

Yours sincerely,

Frank Murphy,
Head of Primary Care Services,
Community Healthcare West
