Dear Deputy O'Reilly

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The table below details the total number of persons aged 75 years and over who have experienced an Emergency Department wait time of greater than 24 hours for the period from 1 January to 31 December 2018

I hope this response is helpful.

Yours sincerely,
