Re: PQ 28875/19: “To ask the Minister for Health the percentage of clinical status 1 ECHO incidents responded to by a first responder in 7 minutes and 59 seconds or less in each ambulance station in each month to the end of June 2019 or the latest date available; and the percentage of clinical status 1 DELTA incidents responded to by a patient carrying vehicle in 7 minutes and 59 seconds or less in tabular form.”

Dear Deputy Donnelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The National Ambulance Service reports on 18 minute 59 second response times for ‘ECHO’ and ‘DELTA’ category calls. The table below outlines these response times for NAS (by former Health Board area) and Dublin Fire Brigade for each month to May 2019.

I trust this information is of assistance to you and should you require additional information please do not hesitate to contact me.

Yours sincerely,

Oliver Reilly
