To ask the Minister for Health the status of the establishment in CHO2 of a child health governance team to provide oversight for the implementation of the healthy childhood priority programme.

Dear Deputy Rabbitte,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The first meeting of the Child Health Governance Group in CHO2 took place on the 30th April 2019. This group is chaired by Dr. Mary Flannery, Principal Medical Officer for Community Healthcare West.

The second meeting is scheduled to take place on the 23rd July 2019.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely
